

# Shaping the Future of Near Net Shape and Light Weighting

## Agenda

Start Time	End Time	Topic	Company
09:30	10:00	Registration	
10:00	10:10	Welcome and Introduction	ESI
10:10	10:40	Topology and Optimisation	ESI
10:40	11:10	Shaping the Future of Manufacturing Today: Casting Near-Net-Shape	CTI
11:10	11:30	Refreshment Break	
11:30	12:00	Designing for AM – Opportunities, Challenges, Next steps	MTC
12:00	12:30	To be Confirmed	High Temperature Research Centre - University of Birmingham
12:30	13:00	To be Confirmed	The NCC
13:00	14:00	Networking lunch	
14:00	14:40	Modelling Additive Manufacturing Processes	ESI
14:40	15:20	Printed Aircraft, the Route to Reality	BAE Systems
15:20	15:50	Future and Summary	ESI
